Nouveau Apollo

Block colours are extremely versatile and can be as subtle or as statement as you like. Nouveau Apollo gives style to any floor and it would be right at home in any modern office or top-notch hotel. This superb nylon carpet tile range will transform any space for the better, and give you a solid, durable carpet choice for your space.

Ever had that super awkward moment of walking into a meeting thinking it's just a free table? Well problem solved. Why not use Nouveau Apollo to zone out different areas? So, pop down Nouveau Apollo to show the meeting tables, and pop Nouveau Concrete down for walkways / other areas.

Fast delivery

Easy to install, our simple DIY fitting guide will take you through step by step on how to lay your new tiles. We would recommend using Bostik Spray Adhesive or alternatively Interface TacTiles to secure your new carpet tiles in place and to stop them from shifting. Delivered next working day, why not order a sample for free today and we'll even freeze the sale price for when you're ready to order.

Delivered on the next working day. Do want any better than this?!

Fitting projects

Whether you need to renovate your home or office, or if you are in charge of renovating a schoolroom or airport, DCTUK is here for you! Our fitting teams will take care of everything so your home or workspace will be ready to show off to lots of envious eyes before you know it.

We want to make our customers' life easier; your satisfaction matters most - we're always available at any time by phone call or email. You can see below some projects completed using our very own Nouveau Connections Stripe. Take a look. You won't be disappointed.
