Nouveau Endurance

Block colours are extremely versatile and can be as subtle or as statement as you like but sometimes, you need something a little more exciting. This design-led range cleverly combines tonal shades in a linear formation to deliver a stylish surface pattern that would be right at home in any modern office or top-notch hotel.

Ever had that super awkward moment of walking into a meeting thinking it's just a free table? Well problem solved. Why not use Nouveau Endurance to zone out different areas? So, pop down Nouveau Elements II to show the meeting tables, and pop Nouveau Endurance down for walkways / other areas.

Versatile

Built to withstand a never-ending stream of traffic, this range of durable carpet tiles is the ideal solution for busy offices, intense industrial use and high-traffic public spaces. Similar to Nouveau Connections in style and aesthetic but with the added performance benefits of a solution-dyed nylon construction, Nouveau Elements II is the perfect choice for areas such as hospitals and office environments.

Affordable and resistant

A tufted loop pile teams up with a tough bitumen backing to provide a flooring solution that is fully prepared to take on even the harshest heavy contract environments. Flame resistant properties and suitability for use with castor chairs make them the ideal commercial contender, while a choice of 8 subtle-yet-stylish shades mean you can put your stamp on any interior project.

**Affordable and resistant.
