Nouveau Shadow

Nouveau Shadow is available in 12 colours that will look just amazing with our Nouveau Platinum. As you can see in the picture up above, this combination works superbly well.

Ever had that super awkward moment of walking into a meeting thinking it's just a free table? Well, problem solved. Why not use Nouveau Apollo to zone out different areas? So, pop down one colour of Nouveau Vogue to show the meeting tables, and pop Nouveau Platinum down for walkways / other areas. Any question? Just give our lovely sales team a call.

Resistant

High quality, low price tag, free samples, fast delivery and the latest trends - now that's a platinum service. Okay so riddle us this: why splash out cash on expensive shoes and fashionable furniture if you haven't got an equally attractive floor to put them on? Featuring solution-dyed polyamide yarns and a tough bitumen backing, Nouveau Platinum promises to withstand the test of time.

Stylish and resistant carpet tiles. Do want any better than this?!
