The colours

With a striking colour palette inspired by the rich and enchanting tones of the rainforest, these durable polypropylene tiles provide a little pinch of paradise. Where the earthy shades of a sleeping lion and the vibrant red of an exotic bird soaring through the blue sky come together to create interior magic. Combinations

Nouveau Endurance

Block colours are extremely versatile and can be as subtle or as statement as you like but sometimes, you need something a little more exciting. This design-led range cleverly combines tonal shades in a linear formation to deliver a stylish surface pattern that would be right at home in any modern office or top-notch hotel.

Ever had that super awkward moment of walking into a meeting thinking it's just a free table? Well problem solved. Why not use a design of Nouveau Endurance to zone out different areas? So, pop down Nouveau Endurance to show the meeting tables, and pop Nouveau Rio down for walkways / other areas.

Affordable and resistant

Offering an irresistibly high quality performance for a budget-conscious price point, this Nouveau tile offers durability and effortless maintenance without any compromise on style. The fibre-bonded rib pile construction means this carpet tile will withstand the test of time and the trials of heavy traffic.

Affordable and resistant carpet tiles. Do want any better than this?!
