

Our Magnetic wallcovering delivers magnetic capability, enabling documentation to be temporarily attached with magnets to the white wall. This magnetic product joins our existing MemErase Range of wallcovering and surface paint for 'write on, wipe off' purposes – a perfect tool for planning, presentations and brainstorming. Our Magnetic wallcovering is produced on a non-woven Polyester backing and is Euroclass B fire rated. It is available to buy per linear metre and is 125cm wide. For best results use Neodymium magnets.

Product Details
